

Taking off your PPE's

It is important to take off your Personal Protective Equipment on in the right order to keep you and other people safe!

1) You are ready to go.

2) Take your gloves off and throw them in the garbage. Try not to touch the outside of the gloves as you take them off.

3) Use hand sanitizer to clean your hands.

4) Take your gown off and put it in the garbage. Try not to touch the outside of the gown as you take it off.

5) Use hand sanitizer to clean your hands.

6) Take your goggles or eye covering off, put them in a bin to be cleaned.

8) Take off your mask and put it in the garbage. Try not to touch the outside of the mask as you take it off.

9) Use hand sanitizer to clean your hands or wash them with warm soapy water.

You are all ready to go with clean hands and the germs safely in the garbage!
